

# ***Congressional Town Meeting*** *on* ***Fletcher Allen Health Care***

*Promoting Responsiveness,  
Openness, and Accountability  
at Fletcher Allen Health Care*

*FAHC is Vermont's largest health care facility, annually takes in 25% of all Vermont's health care dollars, including \$170 million in public funds, and is the state's second-largest private employer. How it serves the Vermont community, how it spends our tax dollars, and how it is run affects everyone. As a Vermonter, you have a right to be heard on these critical health care and financial issues.*

***Tuesday, December 10, 7:00 PM***  
***First Congregational Church,***  
***38 S. Winooski Ave., Burlington***

***Sponsored by Congressman Bernie Sanders***

*in conjunction with:*

*United Professions of VT/VT Federation of Nurses and Health  
Professionals/AFT, VT Association for Mental Health,  
VT Coalition for Disability Rights, and VT Psychiatric Survivors.*
